
Abirami Anthathi Lyrics In Tamil Pdf Free 36

July 30, 2009 â€” Each stanza of "Abhirami Andhati" is itself gem of poetry. Apart from bhakti and deeper meanings, I liked the Tamil word. Everyone ... "everyone" is part of the word "himself". "Sam" means "I". Every thing is part of the "I" or Self. This means that every word, every idea, every line is part of the Self for you. You are that, you are all that exists, and you are that, that which is. This is Tamil poetry. And it is beautiful because everything that is the Self has no limits. And this is poetry, because every thing, every "I", every idea, every "I", every line is a part of the Self.
