That's because, according to the Cypriot government, President Nicos Anastasiades' justice minister has just announced that the state-controlled banking group Bank of Cyprus will not be charged with criminal wrongdoing. "The government was forced to give an amnesty to the prosecutor-general," said a Finance Ministry official on Tuesday, according to Reuters. "Unfortunately it applies to all public officials who had anything to do with the Bank of Cyprus." Angelides has not been charged with anything but the 52-year-old is already barred from leaving the country and is under house arrest. Meanwhile, a pending vote by Cypriot lawmakers is set to give the government the opportunity to separate the country's public and private banks and transfer the assets of Cyprus Popular Bank and the Bank of Cyprus into one state-run entity. The Cypriot parliament is also set to vote on the controversial merger of its two biggest banks, NCB and Laiki. The vote is scheduled for February 24. Angelides and his cousin, George Tsipras, were both recently detained by police for questioning and questioned about the disappearance of the \$1.7 billion in money linked to Russian and Ukrainian oligarchs. Angelides was released two days later and Tsipras was freed following the assurance from Kypriot Justice Minister Andreas Antoniadis that he would not be prosecuted for holding cash for Russian oligarchs believed to be
