If you already have modded, skip the step above. Then start up the game. Click on the settings icon in the upper right of the screen. Select the "Language" tab. Make sure that you select the version of the game you are playing, and then click the "Apply" button. The main menu should now be updated with the new language settings. NOTE: If you encounter any issues with the installation process, be sure to reply back to this thread with your problem and a detailed description of what you have tried. Dementia, Agoraphobia, and PTSD Is there a way to get a clean version of Age of Empires 2: Definitive Edition? Your best bet would probably be to backup your save files. Steps to add Greek subtitles into Age of Empires 2: Definitive Edition (4.7 GB) file. Steps to add the Greek subtitles to Age of Empires 2: Definitive Edition game. Steps to add subtitles to Age of Empires 2: Definitive Edition game
